The Jr. Cyclones In-House program is the introductory level to organized team play. Players will typically have one practice and one game each weekend.

Each age group will have the appropriate skills, drills, and tasks to help them improve their overall game and expand their knowledge of the sport. Everything learned in the Jr. Cyclones program is to help players become prepared for the House/Recreational level for the Cyclones Youth Hockey Organization.

All Skaters must have a USA Hockey membership.
