Come play with us!

**Learn how to skate with props, improve your interpretation,
and build a character!**

**Off Ice will include playing improv games, learning to express
emotions, and doing strength exercises for skating skills.**

**On Ice will include applying character building work to music
and how we can tell a story with skating skills.**

**We will also be putting together a short group program for our
End of Summer Exhibition! (Date to be announced).**
